

Hebrew Public Capstone Trip to Israel

At *Hebrew Public* we provide our students with an exemplary education and unforgettable life experiences. Our first-ever Eighth Grade Capstone Trip to Israel in November 2017 will give young scholars from Hebrew Language Academy in Brooklyn and Hatikvah International Academy in East Brunswick an opportunity to deepen their connection with the country they have studied for years. Students will visit Israel's historical sites and natural wonders, meet with Israeli peers and business leaders, and put their Modern Hebrew language skills to work.

“If I could go to Israel, it would be an amazing chance to experience the language and culture we study every day.”

- Nellie Podokshik

the program

For this inaugural trip to Israel, students will be involved in the process from beginning to end:

Prior to the trip students will:

- Plan portions of the trip
- Participate in a rigorous selection process, which will require them to research and explore Israel's culture and history
- Hone their leadership skills by raising funds to contribute to the cost of their trip

During the trip students will:

- Visit the country's historic sites and natural wonders
- Meet their Israeli peers
- Learn about innovations in high tech and agriculture
- Document and share their experiences

Upon returning, students will act as ambassadors by sharing their experiences with the student and parent communities.

“I want to learn about Israeli places and its environment and how it’s special and unique in different ways. It would be great to have another experience with my classmates. Every experience is different because you can always learn more.” - Maya Madar

fostering global citizenship

Global citizenship is a pillar of the Hebrew Public mission. The trip will expose students to a different culture and teach them to investigate the world around them. In addition to the trip’s academic and linguistic benefits, students will have a truly unforgettable experience that will inform their perspective of our globalized world, and nurture their connection to Israel and its people for a lifetime.

giving opportunities

We are seeking funding to provide student scholarships and make this trip a reality for all students who are interested in participating.

The cost of the trip is \$4,500 per student. This covers all expenses including food, lodging, airfare, transportation, tours and security.

“I would love to see a lot of places in Israel such as Eilat, Jerusalem, and maybe even the Kinneret River. I would also like to visit Old Akko.”

– Ariel Mulkin

our funding partners

Many thanks to those who have already pledged resources to help make our inaugural Israel trip a reality:

- Galishoff Family
- Marom Group Foundation
- Shirley and Yossi Sagol

about Hebrew Public

Our mission is to build a movement of academically rigorous dual-language charter schools across America that teach children of all backgrounds to become fluent and literate in Modern Hebrew and prepare them to be productive global citizens.
