

עולם של ערכים, עברית מודרנית וחינוך מעולה מחכים לכם! A WORLD OF VALUES, PROFICIENCY IN A NEW LANGUAGE, AND A WARM SCHOOL CULTURE AWAITS!

Adventures in learning

Students receive instruction in literacy, math, science, and social studies as well as art, physical education and music.

Technology in the classroom

Classroom technology supports personalized instruction to meet each student's learning needs.

Meeting the needs of every child

Each Hebrew Public school offers physical therapy, speech/language therapy, occupational therapy, counseling, and English Language Learning services for eligible students.

Language as a doorway to wisdom

Students receive daily, immersive instruction in Modern Hebrew. The culture and history of Israel are integrated into the curriculum.

Essential skills, connecting cultures

By practicing Responsive Classroom, social and academic learning go hand in hand. We know the children we teach — individually, culturally and developmentally.

Voice and Choice

Once a week, Hebrew Public students take ownership of their learning by choosing a special hour-long elective.

Our work is grounded in the **OLAM** (Hebrew for “world”) values that we model for children every day:
Outstanding problem-solvers; **L**ifelong learners; **A**ware communicators; **M**aking a difference.
