

**Standing Orders Permission Slip for 2020-2021 School Year**

Dear parent/guardian,

We are pleased to offer the following Standing Orders in collaboration with Dr. Kathryn VanDerhie of Falls Pediatric & Teen Care. The following over the counter items will now be available at school for students with a signed and dated permission form. Please review the list of items and cross out any items that you DO NOT want your child to have. Please review the rules, sign/date the bottom of this form, and return to the school.

List of available over the counter items

Acetaminophen, Ibuprofen, Calcium Carbonate, Cough drop/throat lozenge, Antibiotic ointment, Hydrocortisone cream/Caladry

Rules and Regulations

Acetaminophen, Ibuprofen, and Calcium carbonate will only be administered once/day. Dosage will be determined based on your child's age and/or weight. Acetaminophen and Ibuprofen will NOT be administered for fever or for mouth pain due to suspected dental caries. The nurse will attempt to call you before administering Acetaminophen, Ibuprofen, or Calcium Carbonate. If the nurse is unable to reach you via phone a note will be sent home with your child. In the event of a life threatening emergency the school will make every effort to reach you, however we reserve the right to call 911 and have your child transported to the hospital via ambulance in the event you cannot be reached.

I hereby grant permission for the below named child to receive the items listed in the Standing Orders.
